How to **encourage**
the students being
able **managing** their
time wisely

Inquiry Focus

- * What are causes and effects of undisciplined students ? (causation)
- * What are role of teachers to promote students' discipline? (function and connection)
- * How do we encourage students being well-organized? (perspective)

*** Teachers' Questions**

* Making a KWL chart to record
what we know around us

* **Tuning In**

- * Observing and recording the students and/or teachers attendance in front of elementary gate
- * Making a chart to show the data and progress of the observation

* **Finding Info**

- * Interviewing class teacher to find the data of causes and effects of students lateness
- * Analyzing the causes and effects of students lateness in form of fish bone

***Sorting Out**

- * Doing research to find information about role of teachers to support the students positive behavior
- * Finding information about some strategies to encourage the students being well organized

*** Going Further**

- * Making a banner to be put in front of the elementary gate to promote positive behaviour
- * Sharing our finding to colleagues about roles of teachers in supporting students' positive behaviour at school

* **Action**
